Ms. Marjorie Ragona
2204 Old Government Street
mobile, Al 36606

Dear Mrs. Ragona:

Thank you for your interest in our master of theological studies degree program. I am sending you a brochure which describes the program in some detail. If after reading this information you have any questions, please feel free to call or make an appointment. I am also enclosing an application form. If you decide to apply for the program, please submit this form to my office and arrange to have **official copies** of all college transcripts sent to this office.

There is some information that you might need in addition to that in the brochure. During the period September to May of every year, the College offers three courses, sequentially. These courses meet on Saturdays--usually every other Saturday, for six meetings. During the summer months we plan to offer two additional courses. This would make it possible for a student with all the required background coursework in theology to complete the degree in two calendar years.

If you have non-credit work in theology that you wish to be considered for coursework equivalency for the requirement of six hours of undergraduate theology, you should send supporting information along with your application.

The graduate tuition for the current academic year is \$200.00 per semester hour. However, the College has instituted a liberal scholarship fund for this program which reduces the tuition to \$65.00 per hour for qualified applicants plus fees.

Once again let me thank you for your interest in the program. We, at the College, are excited about this program and look forward to your application.

Sincerely,

Michael Kaffer
Assistant Dean
Division of Lifelong Learning

P.S. Registration is held the morning before the first class in the Lifelong Learning Office.

Dear Graduate Students:

The Summer scheduling for the MTS program in Mobile has presented problems in the past. In order to clarify the optimal arrangement, please answer this short questionnaire and send it back to my office.

WRITE ONE OF THESE NUMBERS TO THE LEFT OF EACH CHOICE.

- 1 = Preferred
- 2 = Not preferred, but possible
- 3 = Not possible, all things considered
- 4 = Other (explain---)

Two summer courses could be offered in one of the following ways:

- A. One session - six weeks: one course on Saturdays (6 hours each);
 one on Monday/Wednesday or Tuesday/Thursday (3 hours each).
- B. One session - six weeks: one course on Monday/Wednesday; one on
 Tuesday/Thursday (3 hours each class).
- C. *Two sessions - three weeks each: classes Monday-Tuesday-Wednesday-
 Thursday (3 hours each).
- D. *Two sessions - three weeks each: two week-nights (e.g. Monday/Wednesday
 (3 hours each) and Saturday (6 hours).
- E. Two sessions - a) three weeks (4 week-nights, 3 hours each) and b) six
 alternate Saturdays (6 hours each), not conflicting with the 3-week session

*In the case of choice C or D, the two sessions could follow one after the other (e.g., June 16-July 3; July 8-25) or could be divided between the beginning and end of summer (e.g., June 16-July 3; July 21-August 8). Would you prefer "successive" or "divided" sessions?

Finally, if the scheduling results as you indicate, what are your concrete plans, at this point, for taking Summer courses?

MASTER OF THEOLOGICAL STUDIES

1985-86

**SPRING HILL
COLLEGE**

INTRODUCTION

Spring Hill College offers a graduate degree in Theological Studies. Within this program, a student may choose a general course of studies from among five areas: scriptural studies, historical theology, systematic theology, church and ministry, moral theology. The College is sensitive to the professional and pastoral context of educational interests of potential degree applicants and the flexibility of the program makes it applicable to those desiring to teach theology on the secondary level, to those desiring to prepare for a new area of ministry, to those seeking theological updating, and to those desiring to reflect on their ministries or freshen their grasp of current theological trends.

THE PROGRAM

Completion of the program requires ten graduate level courses, participation in a theological studies colloquium, and successful completion of a comprehensive examination. Students must complete two courses in scripture, two courses in moral theology, two courses in historical theology, one course in systematic theology, one course in church and ministry, and two elective courses in an area of specialization.

ADMISSION REQUIREMENTS

There are three levels of admission and the requirements are as follows:

1. Unconditional -- a bachelor's degree from a regionally accredited institution, six semester hours of undergraduate theology or the equivalent, and an undergraduate GPA of 3.0 on a 4.0 scale.
2. Conditional -- a bachelor's degree from a regionally accredited institution, an undergraduate GPA of 3.0 on a 4.0 scale, and approval of the Direc-

tor of Graduate Studies. Students who are admitted on a conditional basis must take six additional semester hours of theology at the undergraduate or graduate level.

3. Non-degree -- this status is open to students wishing to take courses without pursuing a degree, either as regular Spring Hill students or as transient students. A student may normally continue in this status for a maximum of four courses.

FINANCIAL AID

Spring Hill College offers financial aid in the form of scholarship to those students who are accepted into the program who are full-time teachers, full-time religious, full-time lay ministers, or preparing for a career as any of the above.

Dear Rev. Ragona:

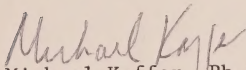

We are pleased to inform you that you have been accepted in the Master of Theological Studies program. Your acceptance is provisional. If your acceptance status is other than unconditional, the factors checked below indicate the causes of this status:

- ☒ Transcripts have not been received
- ☐ less than a 3.0 gpa
- ☐ less than twelve, undergraduate--or equivalent--hours in theology.
- ☐ Application and application fee

As soon as these deficiencies are remedied your status will be changed. If you have less than the twelve hours of theology, the requisite hours can be attained by enrolling in the courses offered for undergraduate credit or supplying proof of course equivalencies, e.g., MFP. If you have less than the 3.0 gpa for undergraduate coursework, your performance will be reviewed periodically until you have clearly shown your ability to do graduate work.

We want to wish you every success in your graduate work at Spring Hill College. Should you have any questions, please do not hesitate to contact me.

Sincerely,

Michael Kaffer, Ph.D.
Assistant Dean

Dear Student:

According to the policy of Spring Hill College, every student must show proof of Health Insurance. Failure to do so will cause you to have to pay a premium for placement on the College's insurance policy covering students.

Please fill out the attached health insurance form and return it to this office immediately. We do not want to have to enroll you unnecessarily. Thank you for your prompt attention to this important matter.

Sincerely,

Michael Kaiffer

INTRODUCTION

Spring Hill College offers a graduate degree in Theological Studies. Within this program, a student may choose a general course of studies from among five areas: scriptural studies, historical theology, systematic theology, church and ministry, moral theology. The College is sensitive to the professional and pastoral context of educational interests of potential degree applicants and the flexibility of the program makes it applicable to those desiring to teach theology on the secondary level, to those desiring to prepare for a new area of ministry, to those seeking theological updating, and to those desiring to reflect on their ministries or freshen their grasp of current theological trends.

THE PROGRAM

Completion of the program requires ten graduate level courses, participation in a theological studies colloquium, and successful completion of a comprehensive examination. Students must complete two courses in scripture, two courses in moral theology, two courses in historical theology, one course in systematic theology, one course in church and ministry, and two elective courses in an area of specialization.

ADMISSION REQUIREMENTS

There are three levels of admission and the requirements are as follows:

1. Unconditional -- a bachelor's degree from a regionally accredited institution, six semester hours of undergraduate theology or the equivalent, and an undergraduate GPA of 3.0 on a 4.0 scale.
2. Conditional -- a bachelor's degree from a regionally accredited institution, an undergraduate GPA of 3.0 on a 4.0 scale, and approval of the Direc-

tor of Graduate Studies. Students who are admitted on a conditional basis must take six additional semester hours of theology at the undergraduate or graduate level.

3. Non-degree -- this status is open to students wishing to take courses without pursuing a degree, either as regular Spring Hill students or as transient students. A student may normally continue in this status for a maximum of four courses.

FINANCIAL AID

Spring Hill College offers financial aid in the form of scholarship to those students who are accepted into the program who are full-time teachers, full-time religious, full-time lay ministers, or preparing for a career as any of the above.
